

Certificate

We herewith confirm that

Transports
Rosendo Quintana S.A.
C. Verdaguer, 25
08510 Roda de Ter
Spain

participates in the Voluntary Control System (VCS) of SGF International e. V.

In participating in the Voluntary Control System, the company supplements its own efforts to fulfil its necessary due diligence, thus making a voluntary extra contribution to ensure the quality of its cleaning operations and thus closing the control gap in the fruit juice supply chain.

In the framework of the SGF certification scheme the cleaning station has been assessed by

AJA Registrars Germany GmbH

and this is to certify that compliance with the SGF Certification Scheme requirements is confirmed.

This certificate is applicable to:

Cleaning of bulk liquid transport units for the food industry

Level achieved: High Basic

Remark: On-line data monitoring platform present not present

Certificate-N°: AJAGER/SGF-VCS/004
This certificate is valid until: 25/06/2017
